

February 14, 2021

To: Member Clubs

Dear Member Clubs,

The LYRA Board of Directors is in desperate need of volunteers to replenish the board. I am looking forward to stepping down to Honorary President at the end of 2021 and as such help the new President continue the LYRA tradition. Other members of the board I know stay on due to their commitment to our sport but, new people are needed.

We send out a solicitation for nominations to the LYRA BOD every year. In the more recent years, we have not received any nominations. LYRA dates to 1894 and has the distinguished history of one of the oldest Corinthian racing venues in North America. The legacy of LYRA and the perpetuation of the organization is important. I urge you to begin a discussion with the racing culture of your club about nominating members to our board.

If would like to nominate someone, please contact LYRA secretary Janet Geisberger (National YC) at janeree@icloud.com

Sincerely,

Bob Carey
