Another Season Ends

With the end of the sailing season comes the start of snow, Christmas and the AGM!

I will be busy getting ready for several meetings including the AGM, so I will need your races as soon as possible. Remember, by submitting your race results your club qualifies for a credit on your annual dues.

Diana Riley

Race Results Deadline

December 31, 2008

If you haven't already, please try to send your race results in as soon as possible.

Getting these processed can some times be very time consuming and involved. By sending them in early, you not only make things easier for me, but it also ensures that any discrepancies or problems are addressed before the deadline.

Thanks, Diana Riley

Race Results Status

I was hoping to automate the reporting of received race results on our web site so that you would have an up-to-date way or checking if your results have been received and processed.

Unfortunately, my time has been spent on other commitments and this will not be done for this year.

However, I will be updating the [old list](#) on our web site.
